Touring Tips:

- If *Star Wars: Rise of the Resistance* is a "must-do attraction", it's highly recommended to purchase an Individual Lightning Lane.
- If you are not using Genie+ or Individual Lightning Lanes, plan to rope drop the most popular attractions.
- Use the My Disney Experience app for mobile ordering. This will save you time.
- Meet some of your favorite characters using Genie+ or by heading there early or late in the day. Use the My Disney Experience app to monitor wait times.
