| Walt Disney's Carousel of Progress                 |                                                                                          |   |                           |
| Disney Enchantment (Nighttime Fireworks Show)      |                                                                                          |   |                           |
|                                                    | <b>High priority Genie+ Lightning Lane Return Time - Select these first</b>              |   |                           |
|                                                    | <b>These are your second priority to book. Typically sell out by the late afternoon.</b> |   |                           |
|                                                    | <b>These Genie+ selections rarely sell out or are not included with Disney Genie+</b>    |   |                           |

= Included w/ the purchase of Disney Genie+

= Individual Lightning Lane available starting at 7:00 am

= Ride during Early Park Entry or Late in the Day if not using Genie+ or Individual Lightning Lane

## Touring Tips:

- Seven Dwarfs Mine Train is very popular & will fill up quickly. If you don't plan to be there at "Rope Drop", consider purchasing an Individual Lightning Lane return time or riding late in the day.
- Use the My Disney Experience app for mobile ordering.
- Consider going counterclockwise around the park, starting in Adventureland.
- Use the My Disney Experience app to check for showtimes, cavalcades, etc.
